

MAP MY MILES

UK WIDE CYCLE RIDE

I'm cycling the UK Wide Cycle Ride to help end the harm caused by diabetes.

From 1 to 30 September I'll be cycling the length and breadth of the UK, in my own time, at my own pace, to raise funds for research and support for people with diabetes.

Help me make every mile count

To sponsor me, go to <http://cycle.diabetes.org.uk> and search for my name.
